Filled out by Applicant

**1. OUTSTANDING ACADEMIC ACHIEVEMENT**

The grade point average is a weighted average of final grades from subjects completed in the previous academic year (year of study) in accordance with the study programme for the course of study and subjects resulting from individual decisions concerning the student obtained in the previous academic year (year of study), including subjects constituting programme differences. The weighted average is the result in the form of a number rounded to three decimal places.

Grade point average obtained in the previous academic year (year of study) confirmed by the employee	Grading scale			_____, ____ - ____	Date, Signature and Stamp of US Employee	Points
	<input type="checkbox"/> 2-5	<input type="checkbox"/> 2-5.5	<input type="checkbox"/> 2-6			

**2. ACADEMIC ACHIEVEMENTS**

2.1. Scientific and popular science works published in the previous academic year (year of study). In the case of multiple publications of the same work, the publication with the highest score should be shown as the only one to be considered. The application must be accompanied by a photocopy of the page containing information on the author, title and type of publication, exact date and place of publication. A symbol from the table below must be indicated on each attachment:

Symbol	Type of Publication	No. of Achievements	Number of Points	Statement *
<b>n1</b>	Scientific monograph (100 points)			
<b>n2</b>	Article in a scientific monograph (70 points)			
<b>n3</b>	Scientific article in a peer-reviewed publication (40 points)			
<b>n4</b>	Scientific article in a non-peer-reviewed publication (a certificate confirming that the publication is a scientific article, issued by an academic teacher of the University of Szczecin who is competent in the given scientific field, and if the student completed the previous year of study at another university - by an academic teacher of the relevant university competent in the given scientific field) (20 points)			
<b>n5</b>	Editorial content of a book, scientific journal (20 points)			
<b>n6</b>	Independent translation of a monograph, book, article, film, etc. (20 points)			
<b>n7</b>	Other works of scientific nature published in the previous academic year (year of study), e.g. report, review, introduction, historical studies, etc. (a certificate confirming that the publication is of a scientific nature issued by an academic teacher of the University of Szczecin who is competent in the given scientific field, and if the student pursued the previous year of study at another university - by an academic teacher of the previous university who is competent in the given scientific field) (5 points)			

2.2. Active participation in conferences, scientific sessions, and competitions, scientific competitions in the previous academic year (year of study). In the case of delivering the same paper at multiple conferences, sessions, the conference or the session with the highest score should be provided as the only one to be taken into account. The application should be accompanied by the official programme or a published report of the conference, the scientific session or a certificate from the organiser, which will include the following details: name of the applicant, date, place of the conference, session, organising entity, theme of the conference, session and form and title of the presentation. Otherwise, a certificate from the organiser or a diploma confirming a scoring place in scientific competitions and contests should be submitted with the above-mentioned data. A symbol from the table below must be indicated on each attachment:

Symbol	Type of Achievement	No. of Achievements	Number of Points	Statement *
<b>n8</b>	Personal presentation of a paper at an international conference, scientific session outside the country (100 points)			
<b>n9</b>	Personal presentation of a paper at an international conference, national scientific session (60 points)			
<b>n10</b>	Personal presentation of a paper at a national conference, scientific session (30 points)			
<b>n11</b>	Personal presentation of a paper at a local conference, scientific session (10 points)			
<b>n12</b>	Personal presentation of a scientific poster at an international conference, scientific session (15 points)			
<b>n13</b>	Personal presentation of a scientific poster at a national conference, scientific session (10 points)			
<b>n14</b>	Personal presentation of a scientific poster at a local conference, scientific session (5 points)			
<b>n15</b>	Winning a high-scoring place (from I to V) individually or in a group in contests, scientific competitions of international scope (60 points)			
<b>n16</b>	Winning a scoring place (from I to III) individually or in a group in competitions, scientific contests of nationwide range (30 points)			

n17	Winning a scoring place (from I to III) individually or in a group in competitions, scientific contests of local range (10 points)			
-----	--	--	--	--

\* I declare that the achievements I have stated in my application have been the basis for the credit of the course included in the study programme.

2.3. Other academic achievements in the previous academic year (year of study). A symbol from the table below should be indicated on each attachment:

Symbol	Type of Scientific Activity	No. of Achievements	Number of Points	Statement *
n18	Obtaining a research grant (a certificate issued by the granting institution stating the title, grant number, date obtained, applicant's name) (100 points)			
n19	Conceptual participation in a team research program carried out in cooperation with a scientific and research unit (certificate from the head of the research program with the applicant's name, the name of the research program, the period of participation in the project, and a detailed description of the work performed by the applicant within the framework of the research project) (60 points)			
n20	Participation in "ERASMUS+" (certificate issued by the Dean's Office confirming completion of the programme) (50 points)			
n21	Participation in a student and doctoral student mobility programme: MOST (certificate issued by the Dean's Office confirming completion of the programme) (30 points)			
n22	Obtaining a certificate confirming knowledge of foreign languages at least level C1 (certificate confirming knowledge of the foreign language, which must contain the name of the applicant and date of certification) (20 points)			
n23	active work in the scientific circle of the University of Szczecin (a certificate issued by the supervisor of the scientific circle, confirmed by an employee of the University who runs the administrative services of the scientific circles of the University of Szczecin, which must include a detailed description of the work related to the area of scientific work of the circle, in which the applicant actively participated. <i>Once a certificate has been issued by the supervisor of the scientific circle, it should be sent to one of the email addresses: <a href="mailto:zyta.jedrzejczak@usz.edu.pl">zyta.jedrzejczak@usz.edu.pl</a>, <a href="mailto:karolina.gibka@usz.edu.pl">karolina.gibka@usz.edu.pl</a></i> ) (5 points)			

\* I declare that the achievements I have stated in my application have been the basis for the credit of the course included in the study programme.

### 3. ARTISTIC ACHIEVEMENTS

Artistic achievements are understood as achievements in the fields of photography, visual arts, literature, theatre (recitation), music, dance in the previous academic year (year of study). Each type of achievement must be documented by an appropriate certificate or diploma, which must contain information about the applicant, the organising entity, the date, place and nature of the achievement. A symbol from the table below must be indicated on each attachment:

Symbol	Type of Artistic Activity	No. of Achievements	Number of Points	Statement *
a1	Leading position (1st to 9th) in the World or European Championships (100 points)			
a2	Leading position (1st to 6th) in the Polish Championships (70 points)			
a3	Leading places (from I to III) in competitions, reviews, festivals, exhibitions, trophies with international scope (70 points)			
a4	Leading places (from I to III) in competitions, reviews, festivals, exhibitions, trophies of nationwide range (50 points)			
a5	Leading places (from I to III) in competitions, reviews, festivals, exhibitions, trophies of local range (10 points)			
a6	The coach, the instructor or the choreographer of place winners (1st to 3rd place) in international competitions (25 points)			
a7	The coach, the instructor or the choreographer of place winners (1st to 3rd place) in national competitions (20 points)			
a8	Publication of a volume of poetry and other works of fiction (published by a publishing house) (points for the entire publication - if the student is the author of the entire publication) (20 points)			
a9	Publication of a volume of poems and other works of fiction (published by a publishing house) (points for individual poems or articles - maximum 20 points) (5 points)			
a10	Publication, dissemination of artistic achievements of high prestige and at least nationwide range (certificate from the organizer of the event confirming at least the nationwide nature of the achievement). In the case of multiple publication, dissemination of the same achievement, points are awarded once (20 points)			

\* I declare that the achievements I have stated in my application have been the basis for the credit of the course included in the study programme.

### 4. HIGH SPORTING ACHIEVEMENT

Sports achievements obtained in the previous academic year (year of study). Sports achievements must be documented by an appropriate certificate which must contain information about the applicant, the date, place and nature of the achievement, confirmed by a Polish sports association, a national sports association operating in the academic community or a relevant national organisation dealing with sports, including sports of disabled persons. A symbol from the table below must be indicated on each attachment:

Symbol	Type of sports activity	No. of achievements	Score	Statement *
s1	Participation in the Olympic Games, Paralympic Games or Deaflympic Games (100 points)			
s2	Participation in the Universiade (100 points)			
s3	Placing in a high-scoring event (1st to 5th place) at a non-Olympic Games (World Games) (90 points)			
s4	Finishing as runner-up (I to X) in the World Championships (90 points)			
s5	Finishing as runner-up (1st to 10th) at the World Academic Championships (85 points)			
s6	Finishing as runner-up (I to X) in the European Championship (80 points)			
s7	Finishing as runner-up (1st to 10th) in the European Academic Championships (75 points)			
s8	A high-scoring place (I to VI) in the Polish Championships (70 points)			
s9	Taking a scored place (from 1st to 8th) in AZS Integrative Polish Championships (70 points)			
s10	Scoring a place (from I to VIII) in the Polish Academic Championships Finals or a place (from I to VI) in the university type in the Polish Academic Championships Finals (70 points)			
s11	Placing in a high-scoring event (1st to 3rd place) in an international competition (70 points)			
s12	Winning a high-scoring place (1st to 3rd place) in a national competition (50 points)			
s13	Placing in the semi-finals of the Polish Academic Championships (50 points)			
s14	The coach or the instructor of place winners (1st to 3rd place) in international competitions (25 points)			
s15	The coach or the instructor of place winners (1st to 3rd place) in national competitions (20 points)			

\* I declare that the achievements I have stated in my application have been the basis for the credit of the course included in the study programme.
